

		Dates Offered		Description
<b>Programming &amp; Operations</b>		Jan 9-13 Feb 6-10 March 6-10 April 17-21 May 1-5	June 5-9 July 10-14 Sept 11-15 Oct 2-6 Nov 13-17	<b>There is no charge for CNC programming &amp; operations school.</b> Students are responsible for transportation to Tennessee, local lodging, breakfasts, and most evening meals. Accu-Router takes care of lunches, classroom materials & supplies. School takes from 4-4.5 days depending on class size, progress, and if software training is included. Classes from 8am-4:30 pm.
<b>Basic &amp; Advanced Maintenance</b>		<b>Basic:</b> <b>Week of:</b> Jan 23rd Feb 27th June 29th Sept 18th Nov 6th	<b>Advanced:</b> <b>Week of:</b> Feb 13th April 24th May 15th July 17th Oct 16th	In addition, Accu-Router offers two CNC maintenance training schools. There is a \$100 fee per student to help cover the cost of personalized documentation. Other cost responsibility aspects of the schools are exactly the same as the programming & operation schools. These schools normally take three days to complete. Also please try to sign up two weeks prior to the scheduled date, this will ensure all booklets and materials are ordered. <b>Please note that the Basic CNC maintenance school is a prerequisite for the advanced maintenance school.</b>
<b>Premium Spindle Care</b>		Jan 26-27 Feb 16-17 March 2-3 April 27-28 May 18-19 June 22-23 July 20-21 Sept 21-22 Oct 19-20 Nov 9-10		Accu-Router offers a no-charge 1.5 day spindle maintenance school to be held on Thursday & Friday morning of each of the above maintenance schools. Participants must register for the spindle maintenance school at the same time as they register for the maintenance school. <b>Participants can also sign up for the spindle maintenance and not attend the regular maintenance school.</b>

**The Accu-Router Difference:**
